THREE FAMILY FIST KUNG FU SPARRING KITS

Dear parent,

Your child has now reached the grade where sparring is introduced.

They are therefore required to wear sparring gloves and feet protection; these are essential for their protection and safety.

For health and hygiene reasons it is necessary that each child has their own set.

These are available from your Sifu, priced at £25.00 per set (gloves, shin pads and instep).

If your child is interested, they can also participate in local sparring competitions. Please ask your Sifu for more information!

For full club details visit: www.ThreeFamilyFist.com
